# Teka's kitchen sinks are carefully

manufactured with the same approach a chef has when preparing a recipe, choosing only the best ingredients. The best steel available, paired with the best design and features, make your Teka sink become the silent star in your kitchen.

**TEKA**

# Tegranite + High Quality

Teka Tegrinite+sinks have evolved into a work area for kitchen lovers that look for innovation, practicality and functionality in the kitchen.

**Stone and Square** are the series for our new Tegrinite+products. They were made with high quality Quartz, a material on the rise. 80% Quartz combined with acrylic resins to obtain a hardened material very resistant to thermal shocks, impacts and dirt. In addition, it is available in a wide range of colors. Quality and color.....you can choose!
